2nd Annual 5K Leukemia Walk

@CentennialHS

1820 Rimpau Avenue , Corona, CA

On November 6th 2009, two year old Brayden McDermott was diagnosed with Lymphoblastic Leukemia. He is currently undergoing his second year of treatment since and has at least one more year to go. This little trooper deals with continuous rounds of chemotherapy, spinal taps, and blood transfusions. The cost is about \$42,000.00 for each round of chemo, so you can imagine the financial stress this has on his mother Chantel. His family, friends, and even complete strangers are coming together to help him fight his battle by raising funds needed to cover these expenses and find a cure . Now's your chance to do the same!

Here is how you can participate:

1. Ask your friends and family to help you raise as much money as possible!
2. Collect a minimum of \$20 in donations to participate in the walk.
3. Fill in the donation sheet on the back of this form.
4. Bring your money and donation sheet to the event on the 4th.
5. Join us as we walk to end childhood Leukemia and help Brayden's family with the financial hardships of this illness.

The Raffle:

For each \$10 donation, you will receive one raffle ticket to use at the event. So just by bringing the required \$20... you will get **TWO** chances to win a great prize donated from local businesses.

Special thanks to the many wonderful groups and businesses for their support and donations to make this walk a complete success! We could not do this without you!

We are still looking for volunteers as well as donations for the raffle, supplies, and of course money for Brayden's expenses!

Make checks payable to:

Renowned Events Care Foundation
(Tax ID # available upon request)
